These plans, specifications
and profile maps were adopted
by the Board of Trustees of Lockford
Protection District No 1 of San
Joaquin County, California at
a meeting of said Board of
Trustees held in Lockford,
California on the 6th day of
November, 1909X accompanying the
profile map was a report of J. A. Graham,
Engineer, of said district, which
was also adopted as a basis of assess-
ment No 2 of said district in

accordance with this profile etc
We accept and adopt
the profile and thereupon
as a basis for assessment
No 2 of said district,
Dates at Lockford, Calif
Nov. 6th 1909

J. D. Dactwiler, Trustee of said district
W. R. Mc Garry, Trustee of said district
Henry Engle, Trustee of said district
